

Guidelines for Virtual Class

१. आपला क्लास संध्याकाळी असल्यामुळे मुलांना आधी थोडं खायला देऊन क्लासला बसवावं म्हणजे त्यांचं लक्ष नीट लागेल.

Since our class is in the evening, please make sure kids eat something light before class so they can focus better.

२. मुलांनी क्लासला बसताना कॉम्प्युटर चार्ज आहे का ते तपासावं किंवा चार्जर लावून बसावं, म्हणजे क्लास सुरु असताना चार्जर शोधण्यासाठी पळापळ होणार नाही.

Please ensure the device is fully charged or plugged in before class starts so kids don't have to run for chargers in between.

३. शाळेने दिलेलं पुस्तक, वही, पेन्सिल आणि खोडरबर घेऊन क्लासमध्ये बसावं.

Kids should always sit for class with their school book, notebook, pencil, and eraser.

४. मुलांनी Google Classroom मध्ये लॉगिन करताना स्वतःचं नाव डिस्प्ले करावं. नवीन टीचर्सला विद्यार्थ्यांची माहिती ठेवण्यासाठी हे खूप महत्वाचं आहे.

While joining Google Classroom, kids must display their own name. This helps teachers, especially new ones, to recognize students easily.

५. काही कारणाने आपला मुलगा/मुलगी क्लासला येऊ शकत नसेल तर त्या क्लास टीचरला किमान ३ तास आधी कळवावं.

If your child cannot attend a class, please inform the class teacher at least 3 hours before.

६. पालकांनी मुलांसोबत रोज घरात मराठीत बोलावं. यामुळे मुलांचा शब्दसंग्रह वाढेल आणि बोलण्याचा आत्मविश्वास येईल.

Encourage kids to speak Marathi daily at home. This improves vocabulary and builds confidence in speaking.

७. घरचा अभ्यास रोज थोडा-थोडा पण नियमित करावा म्हणजे शेवटच्या दिवशी अभ्यासाचा ताण येणार नाही.

Kids should revise a little every day so that the workload doesn't pile up before class.

८. घरचा अभ्यास दोन दिवस आधी क्लास टीचरला पाठवावा. उदा. सोमवारचा क्लास असल्यास शनिवार संध्याकाळपर्यंत होमवर्क पाठवावा. उशिरा पाठवलेले होमवर्क तपासले जाणार नाही.

Homework must be submitted two days before class. For example, if class is on Monday, submit by Saturday evening. Late submissions will not be checked.

९. मुलांना दिलेली पुस्तके सुरक्षित ठेवावीत. पुस्तक हरवल्यास किंवा चुकवल्यास शाळा रिप्लेसमेंट देणार नाही. नवीन पुस्तक घ्यायचं असल्यास अतिरिक्त शुल्क भरावं लागेल.

Each child is given one set of books. Replacement books will not be provided if lost or misplaced. Parents will need to pay extra charges for a new set.

१०. जर भावंडं एकाच क्लासला बसत असतील तर त्यांनी वेगवेगळ्या डिव्हाइसेसवर आणि वेगवेगळ्या खोलीत बसावं.

If siblings are enrolled in the same class, please make sure they use separate devices and sit in different rooms to avoid disturbance.

-Parents need to seat with the kids during online class.

-Once the class is finished pls ask the students to leave the session.

-Playing games and chatting on the shala class link is not allowed.

-Doing other activities and other class homework during marathi class is not accepted.

-Any issues in learning the language pls discuss with teacher and then reach out to shala management.

-Pls send an email OR raise a concern first to shala email only. If not satisfied escalate to mandal.

-Attend all the shala related meetings, if not possible pls reach out to respective teachers for the updates.

-Parents are equally responsible as teachers and shala for to help the kids learn the language.

Year End Evaluation

While BMM exams at each grade level are the final exam to decide if a child is meeting the language proficiency criteria in read, write and verbal abilities based on BMM guidelines and other shala operation we noted that it may take a year or two for a child to get ready for each BMM grade level exam. The child's current understanding of the language is considered during enrollment to decide which level he/she can start with unless they are following the default early pre-k path. Keeping this in mind the kids not ready for the BMM exam would be evaluated based on Sankalp Marathi Shala internal exam following the same evaluation guideline but based on what they have learned in the class. Based on the overall mid term, final exam, homework submission Teacher and Principal would decide if the entire class or certain kids in the class (could be older than others) are ready for the BMM grade level exam in the following year. This helps us ensure they understand the language well on all 3 abilities (read, write, speak) and maintain their interest rather than being overwhelmed with advanced topics.

Excused/Unexcused absence request.

For an in person exam (mid term or final) which carries weightage in final grade please report your planned travel (domestic out of state/ international) at least a one month ahead of the exam date to Shala email id (sankalpmarathishala@gmail.com), cc teacher or notify teacher on whatsapp at the same time. As everyone including Teacher and Principal are all volunteers we don't promise to reschedule but will try our best to work around the situation to not impact student grades.

Apart from travel and medical or other personal emergencies the rescheduling of exams would not be possible and early arrival or dismissal may be considered based on volunteers availability.

If you have frequent conflicts with a child's other programs or activities , you as a parent are in the best position to decide the priority and make decisions.
